

Product data sheet

WHISPER TWISTER

For blowing leaves on park grounds, in residential areas and on golf greens. For attachment to tractors from 18 KW (25 HP).

Due to its whisper turbine the leaf blower WHISPER TWISTER is the ideal machine for blowing leaves on park grounds, in residential areas and on golf greens. Due to its unique patented swivel mechanism the leaf blower can be swiveled steadily by 180° with only one hydraulic cylinder.
